

# **JUDGES REPORT FROM THE HERTS AND MIDDLESEX CAT CLUB SHOW HELD ON SATURDAY 4<sup>TH</sup> SEPTEMBER 2010**

My thanks to the show managers and committee for the invitation to judge. It was the first time I worked with Karen Guidera and I had a lovely day with her I hope she too enjoyed her day

## **SEAL POINT BIRMAN FEMALE**

1CC BOB Tarrs CH TARKUSHA HELENOFTROY

A silky soft beige coat with defined seal points contrast and nicely presented mature girl. Nice broad head with good birman type. Good width between medium sized ears. Medium length nose showing correct slight dip to the profile. Almost round eyes of good blue colour. Full cheeks with well developed chin and good bite. Tail nice and bushy and medium in length Medium length legs with and strong paws. tidy gloves. Nicely matched gauntlets. Good substance to body I understand she made up to grand today – well done.

## **BLUE POINT BIRMAN FEMALE**

1CC BOB Copestake CH POLLYMANDIANT MEG

This 6 year old had a very nice facial expression although a little brindled at present. Almost round eyes that were a pale blue colour. Would have liked more of a slight dip to profile as I found it more of a nose break. Nice full cheeks. Ears spaced well apart and medium in size. Good length to her bushy. Even gloves, nicely matched gauntlets. A well presented girl who was very nice to judge.

## **AC COLOURPOINTED OR MITTED RAGDOLL KITTEN MALE**

1 BOB Hamilton PHATPAWS PROFESSOR PLUMB seal mitted

A very placid and extremely well grown lad and beautifully presented Broad head with flat plane medium sized ears that had slight tilt forward and were nicely furnished... Medium length nose showing a gentle dip to the profile. Well opened eyes set slightly oblique and blue in colour. Well developed muzzle with firm chin and a good bite. Long muscular body supported by well boned medium height legs with large round tufted paws. Long bushy tail reaching to the shoulder blades and balanced to his body. White chin bib and chest, back legs white to the under body front legs have two white mittens the right mitten being higher than the left. Very easy to handle

2 Penfold and Flackney PHAYPAWS ST TREACLE seal colourpointed

Another well grown boy with a silky soft beige coat however I found his point more chocolate than seal in colour today. His eyes lacked the slightly oblique set as they were a little to round in shape but of blue colour. Medium length nose showing gentle dip to the profile. Flat plane medium sized ears that were well furnished and had slight tilt forward. Rounded muzzle and firm chin and bite level. A muscular long body of good substance with medium length well boned legs and large round and tufted paws. Long bushy tail balancing nicely to his body. Lovely temperament and beautifully presented.

3 Stanton RAGADIDICT TIMTAM Blue colourpointed

I apologise for marking him absence in the first instance he was tucked nicely around the corner of his pen and we did not see him from the angle we were standing. The baby of the class but very sweet. He needs to fill out around the muzzle. Gentle dip to the profile on a medium length nose. Well opened slightly oblique set eyes of good blue colour. Medium sized ears with slight tilt forward with flat plane between them. Well defined blue points against a bluish white silky soft coat. Legs of medium height and well boned. Paws round and well tufted.

## **AC COLOURPOINTED OR MITTED RAGDOLL KITTEN FEMALE**

### 1 Hamilton PHATPAWS SPRING COLLECTION Seal colourpointed

What a little treasure her paws were kneading the whole time she was with us. Super soft beige colour coat which had been beautifully prepared and was contrasted by rich evenly matched seal points. Broad head with flat plane between medium sized ears that were well furnished and had slight tilt forward. Gentle dip to nose of medium length. Lovely blue large eyes that were set slightly oblique. Cheeks well developed with rounded muzzle and good chin and level bite. A well developed body supported by well boned legs with large rounded and tufted paws. Long bushy tail that tapered slightly at tip and reached the shoulder blades. She was so confident for her 4 months and a temperament to die for.

### 2 Barker CHEAM LOVEINAMIST Blue tortie

A nice broad head with flat plane between medium sized ears that had slight tilt forward and were well furnished. Gentle dip to profile on medium length nose. Good muzzle and firm chin with good bite. Well opened slightly oblique set eyes that were of pale blue colour. Good body shape with well boned legs and nicely rounded and tufted paws. Tail tapers slightly at tip and was reaching to her shoulder blades. Left mitten runs up the inside of the leg, right mitten good... Her blue points on the head and ears were nicely overlaid and intermingled with shades of cream however her front legs were solid blue with no trace of intermingling. Back legs all white to the underbody. Again another real sweetie.

## **RAGAMUFFIN ASSESSMENT KITTEN**

### MERIT Gooding CHEHAM SIMPLYRED

An alert boy with a very gentle expression. Head rounded fairly broad and of moderate length. Good cheeks and chin with level bite. Lovely copper walnut shaped eyes. Nose break to the profile. Ears well set with slight tilt forward and well furnished. A rectangular shaped body with good muscle and well grown. Long well furnished tail. A beautifully prepared richly coloured silky coat showing definite tabby markings and the coat fur medium in length. Excellent colour and pattern with sparkling white paws and underbody. Wonderful temperament, excellent condition and very nice to handle

### MERIT Powell and Wells GALLDORA MYSTIQUE

A real sweetie with a lovely expression. Broad head with rounded muzzle and cheeks. Profile shows nose break short strong neck. Ears set on side of head as much as on top and are well furnished. Eyes of walnut shape and deep amber I colour. Overall I would like a little more length to her head. Good body shape with well furnished tail that balanced to her body length. Coat of medium length with a plush feel to the texture. A well ringed tail with good tabby markings to the head and body. White necklace and underbody. A very nice temperament and in very good condition she most certainly had a gentle expression and temperament to match.

## **SEMI LONG HAIR IMPERIAL GRAND PREMIER MALE**

### 1 IMP GR PR Caldwell UK GR PR. CALLOUI ENRICO Blue Birman

What a super start to the day with this gorgeous boy who was in super condition and presented without a hair out of place. Lovely type with broad head and medium sized ears spaced well apart. Full cheeks and chin and good bite. Medium length nose showing slight dip to the profile. Lovely blue almost round eyes. A large body with a silky soft bluish white coat complemented by even blue points. Tail nice and bushy and of medium length. Strong thick set medium height legs with strong paws. Pristine white gloves, tapering even length gauntlets again sparkling white and good socks. I understand this certificate made him up to imperial my congratulations and I also gave him best in show semi long hair neuter.

### RES IMP. Bennett and Norfar GR PR KITTAH ACHILLES Seal birman

I have judged this boy on several occasions sometimes he is good sometimes he is naughty today he was in-between. A lovely big boy with a long body shape of excellent bone. A silky soft coat which had been beautifully prepared and showing lovely seal points. Tail bushy and of medium length. Medium height strong legs and thick set paws. Excellent birman type with broad round head. Ears of medium size and spaced well apart. Slight dip to profile on medium length nose. Almost round blue eyes. Full cheeks and good chin with even bite.... Sparkling white gloves, good socks, nicely matched tapering gauntlets.

### **IMPERIAL SEMI LONG HAIR GRAND PREMIER – FEMALE**

IMP GR PR Butler GR PR JINGLEBELLES LADY OF ATHENA Brown tabby and white Maine coon  
A very beautiful lady with 100% marks for presentation and temperament. Nice strong muzzle on a medium length head with good chin and level bite. Fairly full cheeks with high cheek bones. Nose of uniform width showing shallow curve to the profile. The ears were well tufted and feathered but I would have liked them slightly larger. A large solid rectangular shaped body with strong legs and large paws with tufts of fur appearing from under the paw. Tail fur extremely profuse and flowing and of excellent length. A super glossy nicely patterned top coat with white areas covers her undercoat. So relaxed and a joy to handle.

RES IMP GR PR Deacon GR PR GLEDEKATT BRUNI Brown tabby and white Norwegian  
A lovely gentle lady with a triangular head shape and long straight profile. A level bite with a strong chin. Large oval shaped pale green eyes. Good width at the base of her large ears which had long hairs' out of the ears. A richly coloured overcoat covers her woolly undercoat with a nice ruff and frilly knickerbockers. Long bushy tail that reached to her shoulder blades. A heavy body supported by high legs with large round tufted paws. I would have liked a longer body to this girl but she was delightful and worthy of the certificate

### **RED CREAM OR TORTIE BIRMAN NEUTER MALE**

1PC BOB B. Tackley CH AND PR KLASSYKLOS KABERNET red  
Broad round head with medium sized ears set well apart. Slight dip to profile on medium length nose. Cheeks full and round with good chin and bite. Almost round eyes of good blue colour. . His ears were spaced well apart and of medium size. A long heavy body with thick set legs of medium height and strong paws. A silky soft pale cream coat complimented by matching red points. A medium length bushy tail. Right glove a little generous on the white left glove good, left gauntlet narrower and shorter than right. Very nice to handle and well presented.

### **RED CREAM OR TORTIE BIRMAN NEUTER MALE**

1PC J Tackley UK IMP BGR CH KLASSYKLOGS KORALLINA seal tortie  
It is with a heavy heart that I write this report but it is so lovely to know that Jane saw her beloved Korallina made up to pr before she passed away the next day.  
Very good birman type on this 7 year old. The head being broad and well rounded head with well developed cheeks and strong chin with a level bite. Medium sized ears that were spaced well apart Profile shows slight dip on medium length nose. Lovely blue almost round eyes. A good weight to her body which was supported by medium height legs with strong paws. Tail nice and bushy and of medium length. Tidy gloves, nicely tapered matching gauntlets and all feet sparkling white. Her seal points were beautifully intermingled with shades of light and dark red on head ears, legs and tail. Wonderful temperament.

2.Tarrs CH AND PR TARKUSHA ALLURE Blue tortie

Another 7 year old in excellent condition and beautifully presented. Very good type with broad rounded head. Almost round shaped blue eyes. Medium length nose showing slight dip to the profile. Cheeks well developed and good chin with even bite. Ears have good width between them and were medium in size. A good body shape and weight with medium height thick set legs and strong paws. Medium that tail that needed to be bushier. Left gauntlet shorter than right and with blunt finish. Right gauntlet nicely shaped and

of good length. Left glove has some colour dipping between toe all feet sparkling white. All blue points overlaid and intermingled with shades of light and dark cream points. A very well mannered lady.

## **TABBY OR TORTIE POINT BIRMAN NEUTER FEMALE**

1PC Baldwin HUGNHOLD GOLDEN JUBLIEE seal tortie

What a lovely big girl of excellent substance so nice to see. I would have proffered a little more length to her head but she had nice fat cheeks and strong chin with good bite. Medium length nose but a rather prominent bump to her nose. Almost round blue eyes. Good width between medium sized ears. Even length tapering gauntlets and tidy gloves. Her points appeared a little chocolate in colour, but were nicely intermingled with shades of light and dark red. This girl had a large and very heavy body with a medium length bushy tail. She had medium height very thick set legs with large strong paws. Very easy to handle....

## **AC PERSIAN NON SELF ADULT**

1. Stallings GR CH SHARISHIMA OUT OF AFRICA tortie and white

I see she also got the imperial today well done. A long silky coat with excellent patching with rich patches of red and black and sparkling white areas. Lovely broad well rounded head with neat well furnished ears sitting low on head and well furnished. Large copper bright eyes. Nose short and broad with full cheeks strong chin and good bite. Lovely cobby body of good substance with short thick legs and large tufted paws. Tail short and very bushy. Delightful.

2 Brown and Mott CH SANDYPAWS CHIEF MANYLETTERS red tabby exotic
